Dear Brady:

I just received your letter of March 22nd, in which you asked me to give you the dates I wanted to play on my way north. I do not understand what information you want in addition to what I gave you.

In my letter of the 14th I told you we had agreed to play the Cubans in whatever cities you could arrange for on April 24th, 5th, 6th, and 7th. If you can only arrange for the 25th, 26th, and 27th, it will be alright with me. We are playing in Tampa Easter Sunday and Monday, and can return to Jacksonville.

In your letter today, you said you have The Eagles and Stars in Norfolk April 28th May 1st at Portsmouth, and May 2nd pending at Wilson. You did not say anything about the 29th and 30th. Now first of all I will not go to Wilson for the 2nd. I told you in my letter I was not particular about playing the 2nd anyway, and I will not go south below Norfolk. I want the team in Newark not later than early the 3rd, as we open in Philly the 4th. Can't you arrange for Wilson on our way up to Norfolk. We could play The Cubans there during the week from the 24th to the 27th. I would prefer being in Richmond May 1st, and then come home from there. If we have to we will play in Richmond the 2nd, but under no conditions no farther south than that, and no later date than that.

I see you speak of Cleveland being in that neighborhood at the same time. I do hope you don't do the same thing you did last year, and have so many teams in the same territory at the same time. I will be looking to hear from you.

Very Truly Yours
